International Danish Finn Championship

International Danish Finn Championship

18th - 20th August 2023 Kalundborg

It's a pleasure for Kalundborg Sejlklub to invite all nationalities of Finn Sailors to Open International Danish Championship in Kalundborg.

Kalundborg Sejlklub is a club of 650+ members, with a unique location. Our facilities cover anything from a great area, bathrooms, plenty of space for social events when not sailing and not to forget large enough parking area for trailers etc.

Kalundborg Fjord is approximate 10 sm, with many great challenges like change of wind directions, strong current from the Great Belt. The Port of Kalundborg is due to its depth the biggest industrial Port outside of Copenhagen, and can be busy with commercial traffic, like container feeders, anchor locations, commercial ferries etc. There is still plenty of space on the Fjord to host a great sailing event for the Finns in August 2023!
