

Welcome to the Nordic Cup 2017

Nordic Cup 2017

20-21 May	Nordic Cup 1	Drammen SF.	Rødtangen, Norge
10-11 June	Nordic Cup 2	USS - Regatta	Uppsala, Sverige
16-17 September	Nordic Cup 3	Dragør Open	Dragør, Danmark

The Nordic Finn Associations have put together the Nordic Cup for 2017, a regatta series consisting of 3 counting events with the final event in Dragør, Denmark. Each regatta will count towards the Nordic Cup and the sailor with the least points after three events will win the cup overall. We are also evaluating special prizes for best sailors in the Finn Age Classes and for sailors campaigning vintage Finn dinghies. The Nordic Cup Trophy will be awarded at the end of the last regatta of the Cup.

The Nordic Cup is an open regatta series and sailors from any country can participate; we are striving towards making the event a cool event with low shoulders and no stress, expect great friendships, cold beers and evening grill parties.

It is with pleasure we invite you to these three events, by enrolling to one of the regattas you're automatic a participant in the Nordic Cup.

Best Regards

Richard – Torsten – Tore Glen
